

CARES Small Business Grants

Recipients and Allotments as of November 20, 2020 – Not All Funds Have Been Distributed – Amounts May Change

The U.S. Treasury Guidance allows states to use Coronavirus Relief Fund (CRF) dollars for expenditures “related to the provision of grants to small businesses to reimburse the costs of business interruption caused by required closure.” The Commonwealth of Virginia has elected to disperse a portion of its allocation to local governments. The Waynesboro City Council has elected to use part of the City’s allocation to help preserve small business in Waynesboro by providing grants to eligible businesses. The City via the EDA are dispersing funds under the Renaissance and Sustainability Fund programs.
