Welcome

Mr. Fridley called the meeting to order at 8:01 AM and thanked everyone for joining the meeting remotely, then gave a reminder that the EDA was authorized to meet electronically by City ordinance 2020 -21 and State legislation recently passed (an amendment to house bill 29 of 2019). EDA members and staff are attending remotely from home and office. Mr. Hitchin also reminded the group that the meeting was being recorded for minute taking purposes.

Approval of Minutes

There being no changes to the minutes from the regular meeting on November 13, 2020 meeting, Ms. Radecke made a motion to approve the minutes as written. The motion was seconded by Ms. Sullivan and passed by unanimous vote.

Update on CARES Grants & Financial Report

Mr. Hitchin gave updates on the small business grants and financial account. He shared a revised dashboard and report showing the status of all of the grants. As shown on line 18 of the dashboard, the credit card was used three times for a total of \$317, payments to Stamps.com for beerwerks postage. Thirteen new checks were written and up for approval today as well as one check that was being reissued because the business didn't receive it in the mail. All CARES money has to be spent by December 31, 2020 so the deadline to receive any receipts was December 9, 2020. There are some funds that were not spent and staff has identified two other small businesses who did not get funding because their applications were lost in transit and not received in time. Staff will go back to the review committee for approval of the reallocations. In addition, staff are working on a grant program for restaurants to buy heaters or purchase take-out supplies or other items to help continue business in the colder months. In lieu of calling a special meeting to approve the last of the CARES funding, the EDA came to a consensus that information provided via e-mail would suffice. Mr. Snyder made a motion to approve the checks as written. The motion was seconded by Ms. Bandy and passed by unanimous vote. Grant fund checks are detailed in the attached addendum.

Committee Reports

- a. Loan: Mr. Hitchin reported that there are no current active applications.
- b. Audit: Ms. Bandy has received the bank reconciliation reviews and signed off on them.

Monthly Updates

Downtown Redevelopment – Ms. Callison reported on the downtown activity. The City utilized CARES funds to help promote Small Business Saturday, and two “Thirsty Thursday” events as well as create the LOVE work in Constitution Park. All of these initiatives were part of an effort to get people back to downtown and support the local small businesses there. The downtown merchant group is trying to organize quarterly events.

Tourism – there were no additional updates

Industrial Properties – there were no updates

Other Business/Discussion

Mr. Hitchin thanked Mr. Reed and Ms. Arkward for attending the Economic Development 101 webinar hosted by VEDP and also recognized Mayor Henderson and Mr. Hamp for joining the EDA meeting.

Correspondence and Communication of the Chairman

The next regular meeting is scheduled for January 8, 2021.

There being no other business to discuss, Mr. Reed made a motion to adjourn. The motion was seconded by Ms. Arkward and the meeting was adjourned at 8:14 AM.
